AREAS OF EXPERTISE

- Generator including AMF Panels
- Industrial Civil Engineering
- Earthing Systems
- Power Factor Systems
- (PV) Solar Plants
- Bottle Plants
- Pump Stations
- Pack Houses
- PLC Programming
- HT (High Tension Voltage)
- Sewage Plant Control
- Instrumentation
- SCADA Systems
- Panel Building and Custom Design
- Robotic Systems

WORLD CLASS PRODUCTS

- Allen Bradley
- Siemens
- Levato
- ABB
- VIPA (Yaskawa)
- SIGMATEK
- ZENON
- NACHI Robotics

HOW CAN WE HELP?

We're here to help you make your next project your best project.
